B- degrees: because

C- degrees because

D- degrees; because

**70-** The career of Valene Lincoln, an employee at the aerospace company United Technologies Corporation (UTC) is a significant success story for her company's tuition-reimbursement program.

A-No change

B-(UTC) –

C-(UTC):

D-(UTC),

71- Most fans of Charles Dickens know him because of his popular novels, but his talent extended to the theater as well. Having acted in several places before turning to writing—Dickens continued to participate in a variety of productions while writing such novels *Oliver Twist*.

A) NO CHANGE

B) writing;

C) writing.

D) writing,

72 - Though his stage set was austere—consisting of little more than a reading desk, a pitcher of water, and a drinking glass—Dickens set the scene with just his presence and voice. Reading from an annotated copy of a book; in which he had scrawled stage directions, he would impersonate as many as 23 fictional characters in a single two-hour performance.

A) NO CHANGE

B) book

C) book:

D) book—
